WISDOM OF YOUTH

The pastor was examining one of the younger classes and asked the question:

"What are the sins of omission?"

After a little silence one young lady offered:

"Please, sir, they're sins we ought to have committed and haven't."

—Ohio Motorist.

She—"You remind me of the sea."

He—"Why? Because I'm so wild and uncontrollable?"

She—"No! Because you're all wet and make me sick."

"I know, papa, but vot's the void mean?"
